Luis Soltero
Director of Software Development and CTO
Global Marine Networks LLC
2668 Jericho Rd
Maryville, TN 37803

Dear Luis,

Iridium Solution Certification

Based on the completion of the test of XGate and WeatherNet applications ("Products") performed at Bethesda, MD, Iridium Satellite LLC hereby issues a Solution Certification. This letter is confirmation that the Products have satisfied the requirements stated in the Value Added Developer Agreement.

This Certification permits Global Marine Networks to continue to deploy its Products for use over the Iridium network.

Sincerely

David M. Wigglesworth
Director – Data Services
