

Send in your AxxessPoint and Upgrade to **Optimizer for 50% off**

Iridium AxxessPoint has been discontinued. For a limited time only, you can trade in your Iridium AxxessPoint and upgrade to Optimizer for only \$75....50% off!

You can also use the \$75 for the purchase of a RedPort Aurora!

Instructions:

1. Buy RedPort Optimizer Satellite WiFi Hotspot for full price (\$149) (Or RedPort Aurora).
2. Send in your Iridium AxxessPoint to Global Marine Networks
3. When we receive your AxxessPoint in the mail, we will put \$75 back onto the credit card you use to purchase Optimizer or Aurora.

Print out this form and return it with your AxxessPoint to:

Global Marine Networks
2668 Jericho Rd.
Maryville, TN 37803
