Global Marine Networks (GMN) Iridium Land Mobile plans use the Iridium Mobile Satellite Network. Satellite reception limitations and some exclusion zones apply. Global Marine Networks Iridium Land Mobile plans may not be used with Iridium Maritime Terminals including Iridium handsets when used in a Maritime environment with an installed antenna. Please refer to Global Marine Networks Iridium Maritime plans for use with Iridium Maritime Terminals. All calls are charged in 60 second increments unless otherwise stated. Prices quoted exclude any applicable taxes and are subject to change. 12 month minimum term applies. You may choose to waive the minimum term when purchasing outright only by paying a \$50 contract waiver fee at the time the service is connected. Visit www.globalmarinenet.com/iridiumcoverage to view a coverage map. A compatible Iridium device is required to access the GMN Iridium service (see handset pricing). (1) For information on call costs to all countries and destinations visit www.globalmarinenet.com/iridiumidd. GMN may apply call barring where fraudulent use is suspected, there is a breach of the GMN Fair Use Policy, or for credit control purposes. You will receive a bill by email from GMN listing any payments you have made during the billing period and a summary of your service usage to enable you to keep track of your overall service usage and monthly spend. Itemized billed and unbilled service usage is available in the secure Selfcare website at www.globalmarinenet.com/selfcare. An itemized bill listing all of your service usage events is available on request. GMN plans are available to credit approved customers only. You may receive a pro-rata access fee charge on your first GMN bill, calculated from the actual date of service connection to the date of your first bill.
