DID YOU KNOW?

Did you know that calling a Pivotel Fleet One phone number from the USA has a total cost of more than 3.5x lower than calling a standard +8707 Fleet One service number. That is because Pivotel Fleet One services use standard +1 US numbers.

Source: <https://www.att.com/shop/en/wireless/international/long-distance.html#s> as at 15 January 2019 Cost of calls to Inmarsat \$11.49 per minute. Cost to call a Pivotel Fleet One +1 US number is \$3.00 per minute incoming call costs, and in most cases, calls to +1 numbers are included in a standard phone plan.

Pivotel America (Pivotel) Inmarsat Fleet One plans use the Inmarsat Mobile Satellite Network. Satellite reception limitations and some exclusion zones apply. Visit www.pivotel.com/inmarsatcoverage to view a coverage map. Fleet One Leisure plans are only available to vessels solely engaged in pleasure yachting or inland waterway activities, and under 500GT. The vessels cannot be a floating platform or rig, and a Maritime Mobile Security Identity (MMSI) must be provided upon provision of service. Data is billed in 20kB increments. All calls are charged in 60 second increments unless otherwise stated. Included call value excludes premium calls, calls to special numbers and premium text. Pivotel may apply call barring where fraudulent use is suspected or for credit control purposes. Prices quoted are in USD excluding any applicable taxes and are subject to change. 12 month minimum term applies. Please refer to the above table for minimum cost over 12 months for the plan. You may choose to waive the minimum term when purchasing outright only by paying a \$50.00 contract waiver fee at the time the service is connected. Save Your Local Number allows a service to be put on hold while still maintaining your local number. Your service can utilise Save Your Local Number for up to 6 months in any 12 month period. Your service access fee will be the Save Your Local Number fee for the period this feature is active. If you use Save Your Local Number with your service during the minimum term, your minimum term period will be extended equivalent to the number of months your service is in Save Your Local Number. A compatible Inmarsat Fleet One device is required to access the Pivotel Inmarsat Fleet One service (see device pricing). You will receive a bill by email from Pivotel listing any payments you have made during the billing period and a summary of your service usage to enable you to keep track of your overall service usage and monthly spend. You may receive a pro-rata access fee charge on your first Pivotel bill, calculated from the actual date of service connection to the date of your first bill. Itemized billed and unbilled service usage is available in the secure Selfcare website at www.pivotel.com/selfcare. An itemized bill listing all of your service usage events is available on request. Pivotel plans are available to credit approved customers only. You can manage your data usage of the service to control your cost via Pivotel Pulsar® Data Management Portal. Visit www.pivotel.com.au/wholesale-pulsar-portal/ to learn how to manage your data usage.
